

Donate \$5 to wear jeans to work Oct. 21st
and put the zip on homelessness!

Did you know that over 60 percent of adults in families residing in homeless shelters in Fairfax County are employed individuals that just can't make ends meet?

On October 21st, Helios HR will be participating in Jeans Day and encourage you to do the same!

Proceeds will go to Fairfax-Falls Church Community Partnership to Prevent and End Homelessness.

Businesses who wish to participate can register online at <http://jeansday2011.eventbrite.com/>.

Company matches to employee contributions are strongly encouraged.
